For the 8th Time, Arbor-Nomics Appears on the Inc. 5000 list, with Three-Year Sales Growth of 42%

NEW YORK, August 17, 2016

Inc. magazine has named Arbor-Nomics® Turf, Inc. in its 35th annual Inc. 5000, the most prestigious ranking of the nation's fastest-growing private companies. The list represents a unique look at the most successful companies within the American economy's most dynamic segment—its small independent businesses. Companies such as Microsoft, Dell, Domino's Pizza, Pandora, Timberland, LinkedIn, Yelp, Zillow, and many other well-known names gained their first national exposure as honorees of the Inc. 5000.

“This never gets old. We never take our success or making the *Inc.* list for granted. It just goes to show that even a smaller, local business can not only survive but thrive by working hard to attract and retain excellent employees and loyal customers.”

Dick Bare, *Arbor-Nomics CEO/President*

The 2016 Inc. 5000, unveiled online at *Inc.com* and with the top 500 companies featured in the September issue of *Inc.* (available on newsstands August 23) is the most competitive crop in the list's history. The average company on the list achieved a mind-boggling three-year growth of 433%. The Inc. 5000's aggregate revenue is \$200 billion, and

the companies on the list collectively generated 640,000 jobs over the past three years, or about 8% of all jobs created in the entire economy during that period. Complete results of the Inc. 5000, including company profiles and an interactive database that can be sorted by industry, region, and other criteria, can be found at www.inc.com/inc5000.

“The Inc. 5000 list stands out where it really counts,” says *Inc.* President and Editor-In-Chief Eric Schurenberg. “It honors real achievement by a founder or a team of them. No one makes the Inc. 5000 without building something great—usually from scratch. That's one of the hardest things to do in business, as every company founder knows. But without it, free enterprise fails.”

The annual Inc. 5000 event honoring all the companies on the list will be held from October 18 through 20, in San Antonio, TX. Speakers include some of the greatest entrepreneurs of this and past generations, such as best-selling author and strategist Tony Robbins, SoulCycle co-founders Elizabeth Cutler and Julie Rice, Cornerstone OnDemand founder, president and CEO Adam Miller, Marvell Technology Group director and co-founder Weili Dai, and New Belgium Brewing co-founder and executive chair Kim Jordan.
